

**SEMICON India 2024**, Co-located with electronica India and productronica India, the exhibition and conference will feature hallmark SEMICON networking opportunities and presentations by thought leaders from across the global semiconductor design and manufacturing supply chain.

**Benefits of the Semicon India:**

- **Nearly 40,000 visitors and 600 exhibitors in 2023:** Connect with a diverse array of industry professionals and explore the latest innovations.
- **Global business platform:** Network with key decision-makers from India and around the world, including industry leaders attending our adjoining Semiconductor Executive Summit (SES), and forge new partnerships and business opportunities.
- **Comprehensive industry coverage:** Gain insights into the future of the electronics industry value chain with forward-looking programming and market trends.
- **SEMI programs for industry advancement:** Engage in programs to address top industry challenges and advance business results including Workforce Development, Sustainability, Supply Chain Management and Smart Initiatives for key markets such as Mobility and Smart Manufacturing.

**SEMICON India 2024** scheduled on **11 – 13 September 2024** at **INDIA EXPOSITION CENTRE & MART**, Plot No. 25-29, Knowledge Park II, Greater Noida, Uttar Pradesh, India.

In the exhibition, Department of Science & Technology (DST), Government of Gujarat has earmarked a booth in Hall 8 of 90 Square meters to showcase capacity building initiatives taken by GoG in Semiconductor Sector like specially curated curriculum, Centre of Excellence etc. Over 100+ companies will be participating in the exhibition.

The institutions of Gujarat can take this opportunity and nominate final year students from UG, PG, Diploma of Electronics & Communication, Chemical, Electrical & Mechanical streams to participate in Semicon India 2024.

At the Work Force Development (WFD) Pavilion, there will be recruitment specific kiosks with company representatives looking to recruit interns/ employees with on the spot resumes & interviews.

The WFD Pavilion will showcase the recent development, achievements, ongoing work & future plans. The pavilion is likely to be inaugurated by Hon'ble Union Minister, Information and Broadcasting, Electronics & Information Technology, Government of India.

In this regard, A meeting with heads of major institutions held on 29 August 2024 under chairmanship of Principal Secretary, Department of Science & Technology, GoG at Sachivalaya, Gandhinagar.

Appended are the details of Faculties & Students to be nominated for the said event on 12 & 13 September 2024 as decided during the meeting.

| S. No. | Name of college | Dates            | Number of students | Number of faculties |
|--------|-----------------|------------------|--------------------|---------------------|
| 1      | LD              | 11-13 Sept, 2024 | 50                 | 4                   |
| 2      | VGEC            | 11-13 Sept, 2025 | 50                 | 4                   |
| 3      | GEC Gandhinagar | 12-13 Sept, 2026 | 25                 | 2                   |
| 4      | GP, Ahmedabad   | 12-13 Sept, 2027 | 20                 | 4                   |
| 5      | GP, Gandhinagar | 12-13 Sept, 2028 | 15                 | 2                   |
| 6      | RCTI, Ahmedabad | 12-13 Sept, 2028 | 15                 | 2                   |
|        | <b>Total</b>    |                  | <b>175</b>         | <b>18</b>           |

The proposed expenditure in different categories is as per below table:

Note: as per current status of railway ticket booking, sleeper class reservation is not available & also long waitlist, but AC 3 Tier tickets are available in certain trains, so we may allow tickets to be booked in AC 3 Tier at the earliest. If AC 3 Tier is also not available, then AC 2 Tier can be booked.

| Expense                 | Details  |
|-------------------------|--|
| <b>Travel</b>           | 3-Tier/2-Tier AC train ticket or below for students and faculty members  |
| <b>Food</b>             | ₹300/day per student for a maximum of 3 days   |
| <b>Accommodation</b>    | Reasonable accommodation charges per student for a maximum of 3 days (Arrangements may be provided by this office) |
| <b>Local Conveyance</b> | As per actual charges, provided that valid bills are submitted   |

We may provide accommodation in nearby location from the venue as per availability.

If agreed, the details of nominated faculties & students may be collated from the institute by this office. The overall co-ordination at CTE level will be done by Dr. Vimal V. Prajapati (Jt. Director- Academic), Shri M. J. Aghara (Dy. Director- Academic) & Dr. H. S. Modi, OSD, GTERS.

As this event will give great exposure to students in line with the objective of GTERS to facilitate the students and also mentioned by the Commissioner, Technical Education, the proposed cost of all mentioned expenditure may be borne by GTERS. The principal of

the mentioned institute needs to furnish endorsed copy of expenditure with details. We may reimburse the expenditure submitted by the institutes.
